Mazda MX-5
VENTURE

PLANNED ROUTE, NEW THRILLS

Just like the first generation Mazda MX-5, the new MX-5 Venture's sophistication, technology and iconic design continues to defy convention.

Embodying charisma, style and featuring a state-of-the-art multimedia Sanyo TomTom satellite navigation system with voice recognition, the daring Mazda MX-5 Venture is the latest MX-5 Special Edition to join the range. Starting with provocative 17" light gun metal alloys the precision steering and perfect 50:50 weight distribution ensure thrills at every corner with each spoken direction. Powered by either a spirited 126ps 1.8-litre engine or the highly responsive 160ps 2.0-litre engine, the Mazda MX-5 Venture Edition features the classic sports car Soft-top or the stylish Roadster Coupe and is finished in a choice of exclusive colours. How will you express your spirit?

Jinba Ittai

The Mazda MX-5 is a pure roadster, inspired by the philosophy of Jinba Ittai: 'Horse and rider as one'. Like the oneness of a horse and rider, we believe the car should feel like an extension of yourself. Because when the car and driver are in perfect harmony, driving is fun!
